

Coach's Nomination Form

The CRA Board of Directors appreciates all those interested in volunteering to coach our youth. We occasionally have more volunteers than we need for a particular sport. This creates the need to select coaches by a fair, impartial and qualitative process. Consequently all parties interested in serving as a coach must complete and submit this Coach's Nomination Form by the appropriate deadline (to be determined by the Director of the sport) to the respective Director.

All coaching selections are made by a committee of the Board of Directors and confirmed by the full CRA board. Consideration is given to prior experience, prior CRA participation, past adherence to CRA's guiding principles and coaching position availability. Under no circumstances will anyone be guaranteed a coaching assignment for any reason. The commissioner will inform you of your assignment after the board has completed its selection process. A background check will be run on all prospective coaches prior to their approval by the board.
